**Subject:** Re: Quality Assurance Review for Phase V ADQ for Ground-Water Investigation in Pavillion, Wyoming

Hi Steve - ADQ response and revised QA/QC Appendix are attached.

The L:\ drive contains the most recent files and the revised summary data spreadsheet (v2). An Archive folder was created and it now contains previous review versions of the QA/QC Appendix and the summary spreadsheet.

Steve - I would like to discuss with you about contacting the NERL/LV lab to request additional information as described in the ADQ.

Thanks,  
Rick
